

## Wheelie Bin Transport Trolley

This specially designed trolley features an open rollover bar that assists in levering the bin onto and off the trolley with ease.

The Wheelie Bin Trolley has been designed to transport bins over a distance. With the help of our 24V Dual Wheel MotorDrive, moving the heavy load is as easy as walking.

### Features:

- 24V Dual MotorDrive with Forward / Reverse & Electromagnetic Braking
- Open Rollover Bar
- Safety Chain Bin Constraint
- Powder Coat Finish (Colour Options)

### Options:

- Single, Double, Triple & Four Bin Options
- Custom Bag Hooks
- Auxiliary Hook Over Baskets

**Right:** The open rollover bar keeps the bin secure during transport.
